Tools for grey literature

- Electronic format
- Internet
- Repositories
- Open Access
- Free Licences – Creative Commons
- Enhanced publications

Enhanced Publications

- Definition from DRIVER-II:
„A publication that is enhanced with three categories of information:
 - 1) Research data
 - 2) Extra materials
 - 3) Post-publication data“
- Included in repositories – [OpenGrey](#), [NRGL](#)
- Special repositories - [DANS](#)

Enhanced Publications Project

- Data exchange is becoming the standard in OA communities
- Research data should be preserved and accessible
- A data policy should be in place within research organizations
- Data should be recognized in references and citations
