Seminar to access of grey literature 2008

The seminar on making grey literature accessible is organised once a year from 2008. The seminar is held with the aim not only to provide the participants with information about the grey literature in the Czech Republic as well as abroad, but also about related topics dealing with this issue. At this seminar a presentation on this project was given as well.

Previous seminars:

1st year of the seminar held on 8 October 2008 at VUT in Brno
